Dr Kwong Nui Sim (Convenor)

June 2022

Get in touch

- A suggestion that ends up in the constitution
- To enable members to stay connected despite their physical locations
- An inclusive social media group for a period of time
- Connections via emails

Looking Back

“For me I became an IM as I live 1/2 hour from Dunedin and don't really like meetings. I joined GWO because we went for some time with no active convenor for IMs so there was no feeling of community.” [Pat]

At Present

- Did a member survey in 2021 – members indicated they happy with just email contact
- Successful initiative - paired up some members as mentors and mentees
- Quarterly informative emails
- Organised a virtual talk with GW Australia - very low attendance
